

Co-op Owners for Political Action

All members of Mid-South Synergy have the opportunity to contribute to the Action Committee for Rural Electrification (ACRE), the political action committee of the nation's electric cooperatives through the Co-op Owners for Political Action program.

Joining ACRE is an easy way for electric cooperative members to stay informed on important issues, play an active role as citizens and take part in making sure that their cooperative's voice remains strong at the national and the state level. Participation in ACRE helps co-op members to maintain a grassroots presence that plays a vital role in promoting the long-term success of electric cooperatives and the communities that they serve.

To help you get involved with this program, included is the authorization form for enrolling as a member. Plus, if you join now, you'll receive a Texas Co-Op Power Cookbook FREE!

Seriously consider this opportunity to become more involved with the electric cooperative that you own and the issues that affect you. Please return the ACRE Authorization Form with your bill or mail to Mid-South Synergy, ATTN: Member Service Department, P.O. Box 970, Navasota, TX 77878.
