

SLS is available to municipalities, developers, and property or homeowner associations to provide decorative or road lighting systems in incorporated or unincorporated areas, unincorporated communities and areas adjacent thereto, for the lighting of public streets, roads, and thoroughfares. SLS is available in either underground or overhead service. Customers desiring either service will be charged a one time Connection Fee and a per light fixture Monthly Recurring Charge based on the type of light fixture used in the Street Light, described below. Energy usage is subject to a WPCA adjustment. All charges are subject to applicable taxes.

UNDERGROUND				OVERHEAD			
WATTAGE	MONTHLY kWh USAGE	FIXTURE/BULB TYPE	MONTHLY RECURRING CHARGE PER FIXTURE	WATTAGE	MONTHLY kWh USAGE	FIXTURE/BULB TYPE	MONTHLY RECURRING CHARGE PER FIXTURE
100W	40	Cobra Head/Acorn High Pressure Sodium	\$17.50	100W	40	Cobra Head High Pressure Sodium	\$9.75
250W	105	Cobra Head/Flood Light High Pressure Sodium/Metal Halide	\$22.50	250W	105	Cobra Head/Flood Light	\$14.75
400W	155	Cobra Head/Flood Light High Pressure Sodium/Metal Halide	\$27.00				

ALS is applicable to residential and commercial customers to provide pole mounted area lighting in close proximity to the Cooperative's existing electric distribution lines who execute an Area Lighting Agreement. ALS is available in overhead service either mounted upon the Customer's pole or other fixed object. Customers desiring service will be charged a Monthly Recurring Charge per light as described below. Energy usage is subject to a WPCA adjustment. All charges are subject to applicable taxes.

BULB	kWh PER MONTH	MONTHLY CHARGE
100 Watt High Pressure Sodium (HPS)	50 kWh	\$8.00 per month
175 Watt Mercury Vapor	75 kWh	\$8.00 per month
250 Watt HPS and Flood	100 kWh	\$15.50 per month
400 Watt HPS and Flood	150 kWh	\$17.50 per month

Street and Area Lighting Service is subject to the written policies of the Cooperative. MID-SOUTH SYNERGY SHALL HAVE NO LIABILITY TO ANY PARTY FOR INJURY OR DAMAGE RESULTING FROM ANY STREET LIGHT OUTAGE. For more information, all customers are urged to contact Mid-South Synergy at P.O. Box 970, Navasota, Texas 77868, or by calling Customer Service at 936-825-5100.
